# Clou Hand Towel Rolls

## Hygiene – Paper – Products

The product portfolio of Wepa Professional consists of a perfect combination of high-quality hygienic products and user-friendly dispenser for various applications.

Due to a clear product partition according to Clou Prestige, Clou Comfort and Clou Smart, the brand “Clou” offers all over Europe a high profile range of high quality products for various needs.

Our products are used within the industries, hotels, hospitals, old age homes and public institutions.

Through these clear segmentations we are able to offer for every requirement the right hand towel roll for hands drying:

- Clou Smart – price conscious
- Clou Comfort – economical
- Clou Prestige – exacting

## Virtual CoreTec

Due to our new technology

“Virtual Core Tec” we have been able to produce a firm, circular opening without a cardboard core in various quality classifications.

### The advantages for you:

- No waste
- No disposal
- No direct costs for cores
- Every roll is usable to the last sheet
